MEMORANDUM FOR: Director of Finance
SUBJECT : Capitalization of Discounts, Taxes, and Miscellaneous Charges

1. The capitalization of discounts, taxes, and miscellaneous charges incident to the procurement of Agency personal property has been the subject of recent discussions between members of your Policy and Systems Staff and the Supply Division. These discussions have resulted in a mutually agreed position regarding the handling of these charges as reflected on the attachment to this memorandum.
2. It is requested that you review the proposed methods, and if you concur we propose implementation action effective 1 September 1964.
